Kingsthorpe College 2017 – Y11 Exam and Revision Timetable

Year 11 Students,

We will be supporting you as you progress through the summer exam period with revision lessons during the school day. We are looking to support you during what can be a stressful time and help supplement the revision you are doing at the lunchtime and after school sessions along with the revision you are doing at home.

The following pages give you all the information you will need for your final preparations for your exams. It tells you day by day lesson by lesson where you should be and in what subject. It also shows when exam revision breakfasts are taking place. You will be given an exam breakfast and a focused revision session where subject specialist staff will go over key information/reminders/hints and tips etc. prior to your morning exam.

YOU MUST FOLLOW THE TIMETABLE CAREFULLY AND ATTEND THE APPROPRIATE SESSIONS AS IDENTIFIED.

Use the following instructions to help you:

- Read through the booklet carefully
- For each period, you should underline/highlight where you are going to be

You will only be in 1 of 3 places:

- EITHER in your normal lesson as per your timetable
- Or an exam as per your personalised exam timetable
- Or a revision session which will run prior to your exam
