

Kingsthorpe College Sixth Form L2 & L3 Courses Enrolling Now For September 2018

Why Choose Kingsthorpe College Post 16?

- An **inclusive and welcoming** sixth form which values individuals and will support you with your dreams and ambitions post 18 - whatever they may be.
- An extensive range of qualifications including A levels in minority subjects such as Spanish, French, German, and textiles, and exciting vocational qualifications in games design and creative digital media.
- **Assessment expertise and a proven history of delivering high quality outcomes** in A levels - particularly sociology, psychology, English language, art and photography.
- Outcomes in vocational subjects which are **significantly above the national average**.
- **Tailored guidance and support** for UCAS applications with a high percentage success rate of students achieving offers from **research intensive universities**.
- Links with **local and national higher education and university providers**. Excellent links and **opportunities with local businesses**, including a unique partnership with Silverstone.
- A **wide range of super curricular activities** including Young Enterprise (Regional Winners 2018), work experience opportunities and an impressive programme of visiting speakers.
- **Purpose built sixth form centre** which offers a range of facilities including a study room, a common room, a silent study room, and smaller spaces which are bookable for small group working.
