Re Boughton Green Road

We act on behalf of Persimmon Homes and would like to advise you that roadworks will commence at the junction of the former Northampton University with Boughton Green Road on Monday 11th February 2019. We anticipate that these works will take approximately 8 weeks.

The current mini roundabout is to be removed to form a T junction complete with a “ghost” right turn facility (splitter islands and white lines), together with the construction of footpaths, cyclepaths and some carriageway re-surfacing.

2 way temporary traffic signals will be used between the hours of 09:30 am and 16:00 pm although other works outside of the highway will be undertaken outside of these hours.

Disruption will be kept to a minimum but please do not hesitate to contact the undersigned to discuss the works if required.

Yours faithfully
