

# Health and Social Care

Year 12 Preparation work

## Task 1:

Create a list of Health and Social Care settings/Professions (Min of 15):

For each one write a paragraph which identifies:

If it is a Health or Social Care Setting?

Who may use the setting/professional and why?

## Task 2:

Create 2 job adverts, one for a health care worker and one for a social care worker. (You can choose the specific professional.)

For each one you need to summarise

Training required

Roles and responsibilities

Job description/Typical daily activities

Average working hours

Working environment/clients.

Job progression/development opportunities.

### Task 3:

Research and then create an academic poster on Equality, Diversity and Rights, it must include:

Explanation of what equality, diversity and rights are.

Description of how a setting can ensure it promotes equality, diversity and rights.

Using a case study evaluate the effectiveness of promotion of equality diversity and rights.

Discuss how 2 different Health and Social Care Professionals would ensure equality, diversity and rights is used.

When giving examples always use Health and Social Care specific ones e.g a resident in a care home

## Task 4:

Visit a range of Health and Social Care settings, gather leaflets, brochures etc. (min of 3)

At least one brochure/leaflet must be about a health disorder.

(Please submit the leaflets/brochures with your transition work)
