Year 7 Meet the Tutor Evening – Thursday 22nd September 2022 – 3.30 - 6.00pm

Headteacher : Jennie Giovannelli

Dear Parent/Carer,

We hope that your child has settled in well after the summer holiday and that our new Year 7 students are enjoying their first few days at Kingsthorpe College. Early feedback from students, parents, and staff has been overwhelmingly positive as we look to continue our drive to further improve the provision we offer for our students.

To help support your child we are inviting you to a "Meet the Tutor Evening" on Thursday 22nd September from 3.30pm - 6.00pm. This evening will give you the opportunity to meet with your child's form tutor to discuss any issues or in many cases celebrate success. It might be that you want to take the opportunity to share information with the form tutor or discuss a subject based matter with them which they can then share with subject staff. Year 7 will have a subject based parents evening later in the academic year.

The meeting will take place in the main hall where the year team will also be available to answer any questions. Your child's attendance is strongly encouraged so that they can take part in the three-way conversation. We know from experience that an effective home-school relationship is a huge factor in ensuring students succeed.

The College uses Arbor which is an easy online appointment booking system. This allows you to choose your own appointment time with your child's tutor. Appointments can be made from Saturday 17th September and the booking system will close on Wednesday 21st September.

To make an appointment you will need to download the Arbor app – please contact reception if you need support with this.

If you do not have access to the internet, please contact the school office who will be happy to help you.

We look forward to welcoming you to the College.

Yours Sincerely

Mr S Wade
Deputy Headteacher
