

**Do you believe that everything is possible?
If so, Kingsthorpe College has an opportunity just for you.**

We are seeking a highly motivated, well qualified, and ambitious Maths teacher to join us as part of our exciting talent management programme. The successful candidate will join our innovative Math's team to help drive forward our already successful faculty to even greater heights. We have an ever growing A level Maths cohort, including provision for delivery of Further Math's, and Core Math's. The role would be suitable for qualified teachers and exceptional trainees/NQTS, we offer a supportive Maths faculty and training will be provided to the successful candidate.

In addition, the successful candidate will be supported with the time and resources to develop their leadership through our dedicated leadership development scheme. This will include:

- opportunities to undertake stretch assignments
- expansion of the current role through whole College projects
- outplacements
- A variety of professional networks and access to leadership resources, conferences and events
- A dedicated leadership coach who will help co-create a personal leadership development plan to enable progression to a leadership role within 2 years.

**At KC, we don't value what we measure, we measure what we value.
For us, this is team work.**

**If you would like to join our team as a fast track teacher of Maths,
we would love to hear from you.**

Application forms and further details can be downloaded from www.kingsthorpecollege.org.uk

**For an informal visit to the College prior to application, please contact
recruitment@kingsthorpecollege.org.uk or phone to speak to Deputy Headteacher Scott Wade.**

**Please note that we will be reviewing applications as and when they are received from applicants so
candidates may be called in for interview prior to this date.**
