

BEHAVIOUR POLICY

Date of Adoption: 20th November 2017

Frequency of Review: Annually

Review Date Due: November 2019

Signed: 	Signed: 
Jane Curle Chair of Governors	Jennie Giovanelli Headteacher

CONTENTS

Rationale

Aims

- 1) Expectations
- 2) Code of Conduct
- 3) Home / College Learning Agreement
- 4) The Planner and the Stamp System
- 5) Achievements and Consequences (Positive Behaviour System)
 - Achievements
 - Consequences
- 6) Exclusion
- 7) Anti Bullying
- 8) Physical Intervention
- 9) Searches
- 10) Use of the bicycle to and from the College
- 11) Mobile phones principles and rationale
- 12) Monitoring and Evaluation

RATIONALE

Our Behaviour Policy is based on the understanding that:

- effective learning takes place in a calm and safe environment with every student feeling valued and supported
- students respond in a positive way when they know what is expected of them and when they are treated fairly

AIMS OF THE POLICY

The purpose of this policy is to:

- provide a secure and stimulating learning environment where everyone will be inspired to do their very best
- promote and develop confidence, responsibility, social awareness, self-esteem and self-discipline
- provide effective procedures for promoting effort, achievement and positive behaviour
- prepare students for life as independent adults with a clear sense of their responsibilities towards their communities and society in general
- establish a secure environment in which all students can be free from bullying and intimidation
- establish an environment where all individuals are valued regardless of differences e.g. race, gender, class, sexual orientation or ability

LEGISLATION AND STATUTORY REQUIREMENTS

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010 and schools](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils at school with medical conditions](#)

It is also based on the [Special educational needs and disability code of practice](#)

In addition, this policy is based on:

Schedule 1 of the Education (Independent School Standards) Regulations 2014; paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an antibullying strategy.

[DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online.

This policy complies with our funding agreement and articles of association.

ROLES AND RESPONSIBILITIES

The Governing Board is responsible for monitoring this behaviour policy's effectiveness and holding the Headteacher to account for its implementation.

The Headteacher is responsible for reviewing and approving this behaviour policy. The Headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and consequences are applied consistently.

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular students
- Recording behaviour incidents (see appendix 3 for a behaviour log)
- The senior leadership team will support staff in responding to behaviour incidents.

Parents are expected to:

- Support their child in adhering to the student code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher/progress leader promptly

2) CODE OF CONDUCT

Kingsthorpe College is committed to providing a high quality, inclusive educational experience in a caring environment. Our core purpose is to provide personalised support to students. We actively encourage students to have a sense of responsibility and respect for others. We aim to develop positive attitudes towards individuals, the family, community and society.

We aim, at all times to be positive in our treatment of students and to use positive reinforcement to encourage good behaviour. The priority of Kingsthorpe College is to develop positive attitudes to learning and to encourage positive attitudes between students, teachers and other adults. This is the ongoing responsibility of us all.

Responsibility

We show responsibility by:

- Being prepared for our learning.
- Being honest and mature.
- Understanding the consequences of our actions.

Respect

We show respect by:

- Treating everyone equally regardless of difference or personal opinion.
- Being courteous and polite at all times.
- Listening to and understanding others.

Aspiration

We show aspiration by:

- Working to the best of our ability and potential.
- Giving everybody an equal opportunity to succeed.
- Being dedicated and committed to everything we do.

Care

We show care by:

- Helping and supporting each other.
- Looking after our environment.
- Co-operating and working together as a community.

The core values and code of conduct statements should be displayed in all classrooms. The core values also appear on posters, the website, staff lanyards, student planners and all other written documentation.

We expect students to also demonstrate these core values outside of College as they travel to and from College in our uniform. The reputation of the College depends upon our students being seen as positive role models. Any student who fails to meet the high standards of College on the way to and from College will be sanctioned through the consequence system.

3) HOME / COLLEGE LEARNING AGREEMENT

All students and parents sign a copy of the Home/College Learning Agreement. This is then kept in the student's planner.

We aim to be:	Students commit to:	Parents/Carers commit to:	Staff commit to:
A College where students succeed.	Arriving punctually to College and lessons. Carrying the correct equipment for all lessons and using the College Planner. Abiding by the College dress code	Ensuring their child is punctual with high levels of attendance. Ensuring their child abides by the College dress code at all times. Checking that homework is complete and	Delivering a curriculum that meets students' needs and enables progression. Regularly giving feedback to work and allowing students to respond to feedback.

	Working to the best of their ability at all times to support their own and others learning.	monitoring the Planner at least weekly.	Regular formal assessment and target setting shared with parents.
A College with a strong moral purpose demonstrated through our core values and belief that 'Everything is Possible.'	Following the core values of respect, responsibility, aspiration and care. Taking pride in themselves, the College and its environment. Following the College systems for Achievements and behaviour. Taking a full and active part in the life of the College, including extra-curricular opportunities.	Supporting the College systems for Achievements and behaviour. Ensuring their child takes a full and active part in the life of the College, including extra-curricular opportunities.	Delivering Achievements and consequences that are consistent, fair and appropriate. Providing a safe and positive environment in which to learn. Valuing parents and carers views. Keeping parents and carers informed of anything affecting their child.
A College respected and valued by the community.	Acting appropriately and responsibly at all times in the Community.	Supporting their child in acting as a role model in the community and for the College.	Developing strong community links and relationships.
Date	Name	Name	Name
	Signature	Signature	Signature

4) THE PLANNER AND THE STAMP SYSTEM

The College is committed to encouraging and rewarding positive behaviour. To this end it employs a Positive Behaviour System (the Stamp System in years 7-11). This recognises the positive behaviour, lesson by lesson, and leads to opportunities for extrinsic Achievements and recognition in the longer term.

In order to discourage poor behaviour the College employs a progressive system of sanctions. Nothing must obstruct a teacher's right to teach and a student's right to learn.

AIMS

- To improve consistency in approach to managing student behaviour across the College.
- To increase Achievements for all.
- To create clear levels within consequences.
- To monitor attendance – particularly in class attendance.
- To improve communication across the College and between staff.
- To increase tutor involvement in monitoring behaviour.
- To empower staff to be able to deal with behaviour issues.
- To encourage a sense of achievement and boost students' self-esteem.

The essence of a good behaviour management system is clarity, consistency and fairness. It is vital that students have clear parameters for learning and behaviour; equally vital is that staff within the classroom and across the College approach student behaviour in the same way.

Consistency is the key to any successful system, therefore it is the professional duty of all staff to uphold the policy and to ensure their approach to classroom and behaviour management complies with the stamp system.

STUDENT PLANNERS

The student planner is the backbone of the Positive Behaviour Management system.

It is expected that students will:

- bring their planner to College every day
- present it to staff at the beginning of every lesson
- record all homework set
- record their progress data and targets
- look after the planner keeping it well presented and graffiti free
- show the planner to any member of staff on request
- pay for a replacement if the planner is lost or damaged
- use the planner as a communication tool between home and College
- record all stamps / conduct points / attendances / targets as appropriate.

It is expected that staff will:

- ensure that all planners are stamped or sanctions recorded each lesson
- encourage students in the correct use of planners
- apply appropriate sanctions to students who misuse or fail to present planners
- assist students in the counting of stamps
- ensure the planner is well presented and free of graffiti
- use the planner as a communication tool between home and College

It is expected that parents / carers will:

- encourage students in the correct use of planners
- check the planners daily and sign them weekly
- discuss their child's targets and progress
- use the planners to check that homework is being set / recorded / completed
- use the planner as a communication tool between home and College

5) ACHIEVEMENTS AND CONSEQUENCES

ACHIEVEMENTS

There are distinct ways to reward students:

- KC Lesson / Tutor stamps
- achievement points toward the KC Honours Roll
- activity days
- notes of praise/postcards home
- magic moments
- awards ceremonies

The **LESSON STAMP** provides the opportunity for all students to be rewarded for:

- good attendance
- being punctual
- being smartly presented
- being prepared and equipped for lessons
- demonstrating good behaviour during lessons / registrations
- completing an appropriate amount of work
- completing homework

The 'instant' reward at the end of each lesson is the KC reward stamp. Students do not have an automatic right to a stamp. The stamp has to be earned by complying with the expectations listed above. Once earned, this 'intrinsic' reward provides students, teachers and parents with an immediate overview, as well as an on-going record, of a student's progress.

Tutor Stamps

Tutor stamps will be used during tutor periods in a similar way to lesson stamps. The tutor boxes in the planner will be stamped unless students:

- are late
- are not wearing the correct College uniform
- behave in an inappropriate way
- are absent
- present a planner which has not been signed by their parents / guardians

The tutor can set a 30 minutes or 1 hour Standards No Notice Restorative (NNR) which is recorded in the space for the tutor stamp.

Recognition for Learning:

In addition to lesson stamps, students can earn achievement points. These are recorded by teaching staff on SIMs:

	Achievements	Points
Basic Expectations	Attendance	1
	Punctuality	1
	Equipment	1
	Uniform	1
	Planner	1
School and Local Community	School Council	3
	Support / Assistant / Helping activities	3
	Peer mentoring	3
	Commendation Certificate	5
	Star of the Week	10
	Community nomination	15
Extra-curricular	Extra-curricular	3
	Representing the school	5
	Local	10
	National	20
Academic	Reading commendation	3
	Excellent Presentation	3
	Excellent Classwork	3
	Excellent Homework	3
	Excellent Progress in assessment	5
	Excellent Achievement in assessment	5

Students are able to find out how many achievement points have been awarded on a weekly basis, through their tutor. Year teams also recognise the hard work of our students through assembly time. The points that are accumulated throughout the year can then be transferred for the following Achievements.

Honours	Rewards
Platinum	<ul style="list-style-type: none"> -Trophy + certificate -Letter from the governors. -Lunch with Headteacher and Chair of Governors (Parents invited to attend) -Platinum perks for the following academic year (indefinite queue pass, eligible for rewards trip etc.) -High street vouchers. -Free reward trip. -Special award on awards evening.

	-Free prom ticket/Free leavers' hooded top.
Gold	-Gold badge + certificate -Letter from SLT link. -Special award on awards evening. -Lunch with Headteacher (Parents Welcome). -Indefinite jump the queue pass. -1 term Xbox room pass/alternative room (music, beauty?). -Eligible for special reward trip. -Reduced price prom ticket/Reduced price leavers' hooded top.
Silver	-Silver badge + certificate. -Letter from Head of Year . -Eligible for special rewards trip. -Invited to special awards evening. -Access to all move afternoons. 20 x queue jump pass. -Pizza lunch with Head of Year .
Bronze	-Bronze badge + certificate. -Letter from form tutor. -10 x queue jump pass. -5 x Xbox room lunch pass/alternative room (music, beauty?).
Copper	-Certificate. 5 x queue jump pass. -1 x movie afternoon

Magic Magic moments

Students are nominated weekly by any member of staff for a particular magic moment that they have experienced. This reflects a range of successes from one off activities to sustained and substantial contributions. The Headteacher then rewards the student with a visit to their lesson to share their magic moment.

End of year awards ceremony

The end of year awards ceremony recognises the success and achievement of students in all years. Students are nominated for excellent achievement and attainment in Faculty areas, within each Key Stage, as well as for Headteacher's awards. They can also be nominated for awards in the following categories:

Sportsperson(s) of the year
The Marc Birch award for special recognition in PE and Sport
Artist of the year
Dancer of the year
Vocalist of the year
Photographer of the year
Contribution to Community
Young leader of the year

Behaviour for Learning:

The 'stamp system' supports teaching and learning (in years 7-11) by combining the rights of teachers to teach and the rights of learners to learn. It is intended to be a positive system but students will be made aware that poor behaviour will not be accepted and that clear procedures will be followed for those students who fall short of expectations.

Students earn the right to be awarded a stamp at the end of each lesson by complying with the Code of Conduct. Each box for each lesson **MUST** be filled in by the teacher with a stamp or sanction. Some of the sanctions are given below, in the Warn, Move or Remove system.

WARN:

The student will be spoken to about their behaviour and given a chance to rectify this to enable the learning of others. The student may be expected to step outside the room, while the teacher talks to

them, or alternatively the student may be asked to behind to engage in a conversation with the teacher. This warning will be recorded on the College's system. Their tutor will also follow up on the warning sanction by engaging them in a mentoring conversation to ensure that their behaviour does not prohibit their learning or the learning of others.

MOVE

If the student continues to not be ready, respectful and safe, then they will be instructed to move seat/out of the classroom for a few minutes / group (this is at the teacher's discretion) and the student will be required to engage in an NNR the next day. The NNR restorative conversation will allow the student to understand what they need to do to rectify their behaviour so that they can learn and not prohibit the learning of others. Again this is recorded on our College's system.

REMOVE

If the behaviour is still not ready, respectful and safe the student will be isolated to the remove room. As a consequence of 'remove' the student will be required to complete a 1 hour after school detention and a restorative conversation. This is recorded on the College's system and the member of staff will contact home.

NB. Students should use the toilet, get drinks etc. at break and lunchtime, not during a lesson. If a student does have a genuine reason for needing to leave the classroom they will be issued with a corridor pass by the member of staff. Students out of lessons will be challenged as to why they are outside the classroom.

Uniform cards

Each student is given a uniform card at the start of every term. If a student is seen within the College by a member of staff and their uniform doesn't meet our expectation, they will request the students uniform card. If the card has been signed 3 times by staff, the student will be expected to complete a 30 minutes NNR. If a student cannot produce a uniform card, they will automatically receive an NNR. It is the students responsibility to ensure they keep their uniform card safe.

No Notice Restorative

Teachers can set an NNR as a tutor for meeting the basic expectations or as a subject tutor if the student has received a MOVE or REMOVE. The NNR is recorded on sims and the student is given a slip. It is the students responsibility to let their parents know that they will be late home the next day. NNRs are held in the canteen and subject staff will attend for the first 20 minutes so that the student and the member of staff engage in a restorative conversation. This enables the student to ready, respectful and safe in preparation for their next lesson.

Support strategies

A range of support strategies are available to support students in managing their behaviour. The nature of interventions will be based upon need and determined by the Behaviour and Educational Support (BEST) Co-ordinator in conjunction with the Assistant Headteachers for Behaviour. The following support and interventions are available:

- Restorative programme; BEST Co-ordinator meets to support both student and staff in resolving conflict to avoid escalation and the opportunity of a fresh start.
- Anger management
- Behaviour management
- The Learning Support Unit
- Referral to Student and Family Support (wave 2 intervention)
- Referral to Multi-Agency group (wave 3 intervention)
- Involvement by other agencies such as social services, police, school nurse, Educational Psychologist, CAMHS and others

Recording of Achievements and consequences

Achievements and consequences are recorded in SIMs (School Information Management system) and awarded points according to the type of reward or consequence. All students have an annual on-going record of their number of reward and behaviour points. Staff are also able to record comments on positive or negative behaviours and set detentions.

6) EXCLUSIONS

Exclusions are the ultimate disciplinary sanction the College can impose on a student and are taken only in relation to serious breaches of the College's disciplinary policy. Any decision to exclude is made by the Headteacher in line with the behaviour policy and taking into account all of the circumstances, the evidence available at the time and the need to balance the interests of the student against those of the whole College community.

Governors' Disciplinary Panel

The Chair of Governors is informed of all exclusions. Governors may request to meet with a student and their parent for a Governors Disciplinary Panel if they feel consequences put in place by the college are not having the desired impact on the student and the student is at risk of Permanent Exclusion.

SLT Disciplinary Panel

SLT may request to meet with a student and their parent for a SLT Disciplinary Panel if they feel consequences put in place by the college are not having the desired impact on the student and the student is at risk of Permanent Exclusion.

There are three types of exclusion – internal (IEU), fixed term (FTE) and permanent (PEX).

Internal Exclusion Unit

Internal Exclusion will be used at the discretion of the Headteacher to deal with serious incidents of misbehaviour. The Headteacher will determine the number of days for the student to be in the Internal Exclusion Unit.

The Internal Exclusion Unit may also be used in conjunction with a Fixed Term Exclusion. The IEU runs from 9.30am to 4.00pm and students will undertake work from the 5 lessons that they normally would have had that day.

The parent is expected to attend a meeting before the IEU and a behaviour agreement is signed. Students will not be returned to lessons until this meeting has taken place.

If the student has been unsuccessful in the IEU unit, they will be expected to attend the College the next day from 2pm-6pm and they will complete work with a member of the Senior Leadership Team.

Fixed Term Exclusion

(up to 45 days maximum in any one academic year)

Fixed-term exclusions will depend on the severity of the individual incident and the circumstances regarding the event but may be considered for the following non exhaustive list of serious breaches of expectations:

- threatened or actual assault on a member of staff / student
- swearing at a member of staff
- persistent failure to comply
- bringing a banned item onto the College site (eg. weaponry, tobacco, alcohol, drugs)
- vandalism
- bullying
- failure to comply following withdrawal from lessons
- persistent breaches of uniform policy
- theft
- malicious allegations against staff

The Headteacher may also decide to extend the exclusion beyond 5 days. If this happens the student will enter full-time educational provision at another School or College on the sixth day and remain there until the end of the fixed term exclusion.

Where practicable, the first part day of exclusion will take place in the IEU whilst parents are informed. During the period of external FTE, the student is the responsibility of the parents or carers who may be

fined if their child is unsupervised and in public during this time. Work will be provided by the college for the student to do at home.

All students will be re-admitted into the College only after a re-integration meeting between the Headteacher parents, the student and any other key staff as appropriate. In most cases a Behaviour Agreement will need to be signed and the student placed on report. Persistent problems will lead to an increase in the number of days a student is excluded for as will the severity of the offence.

Permanent Exclusion

Permanent exclusions may be considered for very serious incidents such as, but not exclusively:

- persistent breach of the College's disciplinary policy
- persistent bullying
- assault or threatened assault on a member of staff
- serious assault on another student
- illegal substance possession, use or dealing
- illegal substance paraphernalia
- sexual abuse
- extortion
- serious threats of violence
- continual and malicious disruptions of the learning of others
- bringing weaponry onto the College site

Parents and Carers

Parents and carers have the right to make representations to the Governing Body about an exclusion. The Governing Body makes the ultimate decisions on any recommendations by the Headteacher to permanently exclude a student. Where a governing body upholds a recommendation for a permanent exclusion, parents and carers have the right to appeal the decision to an Independent Appeals Panel.

7) ANTI-BULLYING

Every student has the right to feel safe and secure. Students should feel free from any threat of bullying and know where to go and whom to speak to if bullying occurs. Bullying affects everyone, not just the bully and their victim but also the bystanders who witness the violence, intimidation and the distress of the victim.

All stakeholders within the school have the right to feel safe from bullying behaviour.

Objectives and Principles

- All stakeholders in the College will be aware of what bullying is
- Student awareness of issues relating to bullying will be developed throughout the curriculum and tutor time/ assemblies.
- All complaints of bullying will be treated seriously and will be acted upon in accordance with practice agreed by the Kingsthorpe College community.
- Kingsthorpe College will act promptly if bullying occurs and records will be kept of all incidents.
- All members of the College community will be informed of what to do and who to go to should they observe incidents of bullying or have it reported to them.
- Students views will be regularly sought on the nature and extent of bullying within the College and this will be used to direct anti-bullying provision.
- Students will be actively involved in anti-bullying initiatives in the school and peer led interventions and support.
- Parents/carers expressing concerns about bullying will be supported by the school and will know who to contact.
- The policy adheres to the 'Preventing and Tackling Bullying' DFE document July 2017
- This policy will be monitored and reviewed with appropriate changes made in consultation with the whole school community.

All staff have a responsibility to watch for and respond to incidents of bullying. Responding to bullying cannot be the responsibility of one person or even a team. It must be pursued by all. The Assistant Headteacher has overall responsibility.

Links to other policies

Anti-bullying contributes to all aspects of College life including teaching and learning, attendance, achievement, health and safety and equality. This policy includes related topics found in the following policies:

- Safeguarding and Child Protection Policy
- ICT Acceptable Use Policy
- Mobile Phone Protocol (in Student Planners)
- CCTV Protocol
- Race Equality Policy
- SEN Policy
- Student Attendance Policy

Definition of bullying behaviour

The students at Kingsthorpe College have developed the following definition of bullying:

'Bullying is any form of behaviour (physical, psychological, social or verbal) which intentionally causes distress to an individual, which may be a one-off event or repeated'

Bullying can take many forms, but three main types are:

- Physical: hitting, kicking, taking belongings;
- Verbal: name calling, insulting, making offensive remarks;
- Indirect: spreading nasty stories about someone, exclusion from social groups, being made the subject of malicious rumours, sending malicious e-mails, using social networks or text messages on mobile phones (cyber-bullying).

Bullying can be related to:

- Race, Religion or culture
- Appearance
- Special educational needs
- Disability
- Sexual orientation
- Home circumstances
- Sexist or sexual bullying

Kingsthorpe College will not accept any of the above behaviours from members of staff or students. In addition to students this policy covers the bullying of staff, whether by students, parents/carers or other members of staff.

Reporting and responding to bullying

Kingsthorpe College aims to create an environment where students feel that they are able to report bullying incidents and where prompt decisive action will be taken. The safety of the student being bullied and the student reporting the bullying is paramount. The student will be informed of how the incident is being dealt with. Parents and Carers will be informed as appropriate.

If a student is subject to any form of bullying behaviour they should report it to their Form Tutor, Head of Year or Deputy Head of Year. They may also use the anti-bullying mailbox located in the library or e-mail:

beatthebullies@kingsthorpecollege.org.uk

If a student is a witness to bullying behaviour they should also report it using the systems outlined above.

Once a case of bullying behaviour has been reported the Year teams will investigate the incident. This will include taking a statement from the student being bullied and the student engaging in the bullying behaviour.

The following actions may be taken dependent upon the type and form of bullying:

- If necessary the parents/carers of the student being bullied and the student engaging in the bullying behaviour will be informed and may be invited into College for a meeting.
- If it seems appropriate the student being bullied and the student engaging in bullying behaviour will meet with the Year Team to discuss what is happening and a way forward.
- If necessary the police will be notified.
- Support mechanisms will be put into place to support the student engaging in the bullying behaviour to understand their actions and prevent future bullying.
- Consequences will be put into place dependent upon the severity of the bullying. In serious situations the student may be removed from lessons for the remainder of the day. Serious incidents of bullying may also lead to an internal exclusion or fixed term exclusion.
- Bullying incidents will be logged in the student's file for a fixed period of time. Previous bullying incidents will be taken into consideration.
- Outside agencies may become involved, as deemed appropriate.

Staff need to be alert to the signs of bullying. These signs may include:

- Sudden changes in the behaviour and demeanour of students nearby.
- Sudden gatherings or flow of students in one or two directions.
- Sudden dispersal of groups when staff approach.
- Untidy clothes following a scuffle.
- Increased evidence of heightened tension, embarrassment, shouts, poor eye contact and wariness of staff.

A student may indicate, by signs or behaviour, that they are being bullied. Parents/Carers and staff should be aware of these possible signs and they should investigate if a student:

- Is frightened of walking to or from College.
- Does not want to go on the public bus.
- Begs to be driven to College
- Changes their usual routine
- Is unwilling to go to College
- Begins truanting
- Becomes withdrawn, anxious or lacking in confidence
- Starts stammering
- Attempts or threatens suicide or runs away
- Cries themselves to sleep at night or has nightmares
- Regularly feels ill in the morning
- Begins to do poorly in College
- Comes home with clothes torn or books damaged.
- Has possessions go missing
- Asks for money or starts stealing (to pay the bully)
- Has dinner or other monies continually 'lost'
- Has unexplained cuts or bruises
- Comes home starving (lunch money has been stolen)
- Becomes aggressive, disruptive or unreasonable
- Is bullying other children or siblings
- Stops eating
- Is frightened to say what is wrong
- Gives improbable excuses for any of the above

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Students with English as an Additional Language, Special Educational Need students and Young carers will be closely monitored through Learning Support and the Year Teams.

Year teams will closely monitor any students who are the victims of bullying behaviour and any students who have engaged in bullying behaviour. If bullying persists after the intervention of the Year team the Head of Year will liaise with the Assistant Headteacher who will decide upon the next actions. If a student

engages in bullying behaviour after the intervention of the Year team this will result in a higher level of consequence, including the possibility of fixed term exclusion.

Students who have experienced bullying will be offered support appropriate to the individual, and flexible enough to meet their needs. Deputy Heads of Year will act as a point of contact for the student, who may also be 'buddied' with a peer mentor. Outside agencies may be offered, including the College counselling service and/or support through the Learning Support Unit. It is crucial that the student understands who they should go to if they are worried, what will happen next, what support they will receive and when they will receive an update on the situation.

Students who have engaged in bullying behaviour will also be offered support in order to prevent further bullying behaviour. It is very important to differentiate between the behaviour and the person. Staff can then explain why the behaviour is unacceptable without branding the entire student as 'unacceptable.' Deputy Heads of Year will act as the initial point of contact and in liaison with the Heads of Year will decide upon the strategies offered which may include individual work with a member of staff working through devised programmes to 're-track' their behaviour and/or support through the Learning Support Unit.

Recording bullying incidents

SIMs.net is used for recording all behaviour incidents. In the behaviour log the type of incident should be logged as 'bullying' by members of staff.

Heads of Year are able to print a behaviour report which identifies any bullying incidents in their House. Heads of Year will analyse any patterns of bullying within their Year from individual students and any other patterns e.g. years, locations, Special Educational Needs students, English as an Additional Language students.

Fixed term exclusions and internal exclusions are also identified by the type of incident which is recorded as 'bullying.'

The Assistant Headteacher is responsible for co-ordinating the system and using the data to analyse patterns and trends of bullying within the College. Any trends or patterns identified will be shared with staff.

Racist incidents:

The school believes that all pupils, regardless of their race, nationality, culture or religion, are entitled to an education, which is free from racial discrimination and harassment.

- All staff are expected to take all allegations seriously and to implement the agreed policy and procedures.
- Dealing with racist incidents should be seen as part of the school's general Behaviour Policy, which includes dealing with bullying.
- The Headteacher or their designate will keep staff and governors updated on racial equality and harassment issues through briefings and INSET.
- The Headteacher or their designate will present an annual report to the Governing Body on the details logged in SIMS. This data is also sent in summary form to the LA.

Recording and reporting Procedures:

- All incidents should be reported and recorded on the School Racist Incident Report form however minor that might seem at the time (see Appendix A).
- The Assistant Headteacher is responsible for overseeing the reporting procedure and will monitor the incidence of racial harassment on a regular basis.
- The information recorded will form the basis of the Headteacher's termly Report to Governor's, where there is information to report, and the return made annually to the LA.
- A record will be kept of action taken by the school
- All records will be kept securely.

Strategies for preventing bullying

Kingsthorpe College actively seeks a culture and climate where bullying is not tolerated. This is partly developed through the College's core values of Respect, Responsibility, Aspiration and Care. The

students have worked in tutor time on what these core values mean in practice and the core values are filtered through to students through all aspects of College life.

Anti-bullying is actively taught through the curriculum and assembly programme.

All tutor rooms should have a poster clearly stating what students should do if they experience or witness bullying behaviours. The College operates an e-mail for students to confidentially report bullying incidents and there is a box in the library where students can inform staff if they are witness to or subject to any form of bullying.

Year managers have received training in supporting students who have been the victims of bullying and working with students to prevent further bullying behaviours.

8) PHYSICAL INTERVENTION

Kingsthorpe College is committed to ensuring that all staff and adults with responsibility for students' safety and welfare will deal professionally with all incidents involving aggressive or reckless behaviour, and use physical intervention only as a last resort.

The key objectives are to:

- Maintain the safety of students, staff and visitors
- Prevent serious damage to property
- Prevent serious breaches of College discipline

This aspect of the Promoting Positive Behaviour Policy is based upon the DFE document 'Use of Reasonable Force' July 2013.

Deciding if the use of restrictive physical intervention is appropriate

Staff will view physical intervention of students as a last resort. If students are behaving disruptively or anti-socially, every effort will be made to manage behaviour positively to prevent the need for restrictive physical intervention.

In the following situations staff must judge whether or not physical intervention would be reasonable or appropriate:

- Where there is a risk to the safety of staff, students, or visitors.
- Where there is a risk of serious damage to property.
- Where a student's behaviour is seriously prejudicial to good order and discipline.
- Where a student is committing a criminal offence.

Any member of staff who undertakes a restrictive physical intervention should be clear as to why it is necessary and be able to show that it was in the student's best interest and that it was reasonable and proportionate. For those students assessed as being at risk of restrictive physical intervention Positive Handling Plans will be developed. These plans outline what techniques should be used and not used along with de-escalation strategies.

The judgement on whether to use physical intervention and what physical intervention should be used should always depend on the circumstances of each case and, in the case of students with Special Educational Needs, information about the individual concerned.

Staff need to make the clearest possible judgements about:

- a. The seriousness of the incident, assessed by the effect of the injury, damage or disorder which is likely to result if force is not used. The greater the potential for injury, damage or serious disorder, the more likely it is that using force may be justified.
- b. The chances of achieving the desired result by other means. The lower the probability of achieving the desired result by other means, the more likely it is that using force may be justified.
- c. The relative risks associated with physical intervention compared with using other strategies. The smaller the risks associated with physical intervention compared with other strategies, the more likely it is that using force may be justified.

Using physical interventions

Before using restrictive physical intervention staff should, wherever practicable, tell the student to stop misbehaving and communicate in a calm and measured manner throughout the incident. Staff should make it clear that physical contact or restraint will stop as soon as it ceases to be necessary.

The types of physical intervention could include:

- a. Passive physical contact resulting from standing between students or blocking a student's path.
- b. Active physical contact such as:
 - i) Leading a student by the hand or arm;
 - ii) Ushering a student away by placing a hand in the centre of the back;
 - iii) In more extreme circumstances, using appropriate restrictive interventions, which require specific expertise and training.

The restrictive physical interventions authorised by the College are those techniques in which staff have received appropriate training and development through 'Team Teach'.

The core principles of 'Team Teach' include:

- Minimum of two staff involved.
- Last resort minimum force and time.
- Techniques that do not rely on pain or locks and allow for verbal communication.
- Staff safety and protection addressed.
- Planned responses and techniques are written out and included in positive handling plans for individual students.

Where there is a high and immediate risk of death or serious injury, any member of staff is justified in taking any necessary action (consistent with the principle of seeking to use the minimum intervention required to achieve the desired result.)

Alternatives to physical intervention

A member of staff who chooses not to make a physical intervention can still take effective action to reduce risk. They can:

- Show care and concern by acknowledging unacceptable behaviour and requesting alternatives using negotiation and reason.
- Give clear directions to the students to stop.
- Remind them about rules and likely outcomes.
- Remove an audience or take vulnerable students to a safer place.
- Make the environment safer by moving furniture and removing objects which could be used as weapons.
- Ensure that colleagues know what is happening and get help.

Positive Handling Plans

Individual students assessed at being at greatest risk of requiring restrictive physical intervention will be identified through the SENCo and Senior Leaders with responsibility for behaviour. These students will be placed on Positive Handling Plans developed in consultation with the College, parents/carers and the student.

Positive Handling Plans set out the situations that may provoke difficult behaviour, preventative strategies and the de-escalation strategies that are most effective. Specific strategies and techniques that have been agreed by staff when physical intervention is required are also included.

Recording and reporting incidents

The College keeps a record of all physical interventions. The incident book is located in the main reception area. All records are kept for ten years after the date of the incident.

The purpose of recording is to ensure that policy guidelines are followed, to inform parents/ carers, to inform future planning as part of the school improvement process, to prevent misunderstanding or misinterpretation of the incident and to provide a record for any future enquiry.

Accounts of the incident should be taken from the member of staff who undertook the physical intervention, the student/s involved and any third party witnesses.

Parents/carers will be informed as soon as possible after any recordable incident. Parents/carers will be telephoned before details are confirmed in writing. Parents/carers will be informed of when and where the incident took place, which members of staff were directly involved (staff will be anonymous where necessary), why they decided physical intervention had to be used, what physical intervention was used, whether there were any injuries and what follow up action was being taken in relation to their child.

The Headteacher will be informed, at the earliest possible opportunity, that a physical intervention has taken place. The Assistant Headteacher will initiate the recording process and review each incident.

Governors will be informed of the number of physical interventions on an annual basis.

Post-incident support

The College recognises the need to ensure that staff and students have appropriate emotional support.

The student and the member of staff will be checked for any sign of injury after an incident. Immediate action will be taken to provide first aid for any injuries requiring attention.

The student will be given time to become calm whilst staff continue to supervise. When it is deemed that the student is composed, a senior member of staff will discuss the incident with the student and ascertain the reason for its occurrence. All necessary steps will be taken to re-establish a positive relationship between the student and the member of staff involved in the incident.

All members of staff involved will be allowed a period to debrief and recover from the incident. This may involve access to external support. A senior member of staff (or his/her nominee) will provide support to the member of staff involved.

Parents/carers will be engaged in discussing the incident and for setting out subsequent actions and support.

Complaint procedure

If a parent/carer or student is concerned about any aspect of the management of an incident requiring physical intervention, the Headteacher should be informed of their concern in writing. The Headteacher will respond to the complaint in accordance with College policy and procedure.

9) SEARCHES, SCREENING and CONFISCATION

Members of staff can search students for any items banned by the school, with their consent. The Headteacher, Deputy Headteacher and Assistant Headteacher have the power to search students without their consent where there is reasonable suspicion that the student may have items such as weaponry, alcohol, tobacco, illegal drugs, fireworks, pornography or stolen items. Formal written consent is not required. It is enough to ask the student to turn out his or her pockets or to look in his or her bag.

Banned items are defined as any items that are not necessary for the education of the student. This list is not exhaustive but includes inappropriate magazines, any smoking materials, water pistols, or items of inappropriate clothing.

Members of staff can seize any banned or prohibited item found as a result of a search or which they consider detrimental or harmful to College discipline.

Where a search is carried out without the student's consent the College will ensure:

- there will be two members of staff present at all times during the search
- all searches will be carried out by a staff member who is the same sex as the student
- the witness to the search will also be the same sex as the student where possible
- the student will not be asked to remove clothes, other than items of outer clothing like their coat, jacket or blazer.

Confiscated items will be returned to parents, not students. Confiscated items such as controlled drugs or stolen items will be passed to the police.

The College may decide to screen students using an arch metal detector or wand if deemed necessary.

All searches, screening and confiscations will be carried out according to the advice contained in the DFE document 'Screening, searching and confiscation.' (February 2014).

10) USE OF THE BICYCLE TO AND FROM THE COLLEGE

1. No student is to bring a bicycle to the College until a Bicycle Pass has been granted.
2. Students are to dismount before entering College grounds and walk their bicycles whenever on College grounds. No riding of bicycles at any time is permitted in College grounds before, during or after College hours.
3. It is highly recommended that students should wear an approved bicycle safety helmet at all times when in control of their bicycle.
4. Bicycles brought to College must be in a good, safe working order and must be fitted with working brakes.
5. Bicycles used in the winter months (i.e. outside British Summertime clock changes) must be equipped with appropriate head and tail lights before being brought onto the College grounds.
6. Bicycles are to be stored adjacent to the PE block. Bicycles must be locked with a chain/padlock or appropriate bicycle lock supplied by the bicycle owner.
7. Bicycles and safety helmets are brought and stored on the College grounds entirely at the owner's risk.
8. If students are caught riding dangerously in the community, the College has the right to prohibit them from securing their bicycle at the College, therefore, they will have to make alternative arrangements. Furthermore, the College has the right to sanction accordingly.
9. Students should under no circumstances tamper in any way with another student's bicycle, lock or helmet. A student found to have done this, particularly in a way which might endanger the user's safety will be expected to pay for any damage caused and will have their Bicycle Pass withdrawn and may be issued with any further sanction deemed appropriate by the College. For serious offences the police may be involved.
10. Parents will be notified if students do not adhere to the College's Bicycle Policy. This may lead to the student being refused entry with their bicycle to the College. If they disobey the policy after one formal warning any permission will be withdrawn.

Please note that cycling to the College cannot be used by a student as an excuse for late arrival. Parents should ensure that students are on time for College, and that if their Bicycle Pass is withdrawn they have an alternative method of getting to the College.

11) MOBILE PHONE PRINCIPLES AND RATIONALE

At Kingsthorpe College, the welfare and safeguarding of our students is paramount. The purpose of this policy is to promote safe and appropriate practice, whilst preventing unacceptable use of mobile phones and personal electronic devices by students / staff. As an important safeguarding measure, this will protect the College's students and staff from undesirable materials, filming, intimidation or harassment.

- The College understands and recognises that there may be particular circumstances in which a parent wishes their child to have a mobile phone for their journey to and from school. If you feel that your child does need to bring their phone into school, it should be switched off and stored securely in their bag.
- Where a parent needs to contact their child during the school day, they should do so only through the College's telephone system (via Reception) and not via student mobile phones.
- Emergency contact from students to parents/carers during the school day can be made either through a request to their tutor, via Reception or the Year Team offices at break and/or lunch. Where arrangements have changed for a visit or planned event, the organising member of staff will liaise with Reception to ensure parents/carers are contacted.

- Where a mobile phone is brought into school, it is entirely at the students and parents own risk. The College accepts no responsibility for the loss, theft or damage of any phone or electronic device brought into school. (Ref: Section 94, Education and Inspections Act 2006 states that *“where a teacher disciplines a pupil by confiscating an item, neither the teacher nor the school will be liable for any loss or damage to that item. Equally, there is no statutory liability on schools for items that go missing in other ways.”*)
- Mobile phones and devices brought into College must be turned off - **not placed on silent** - and stored out of sight in the student’s bag **immediately before the student arrives at the school gate**. They must remain turned off and out of sight **until the student has left the school site at the end of the day**.
- Any student caught filming another person (and/or uploading images or video onto the Internet) will have the phone confiscated. It will be treated as a disciplinary matter and parents will be informed. If the action is repeated, or is of a serious nature, the matter will be treated as a serious disciplinary issue which may lead to an exclusion.
- The College reserves the right to inform the Northamptonshire Children’s Safeguarding Board and/or the Police where there is a reasonable suspicion that a phone may contain undesirable material, including those which promote or include pornography, violence or bullying.
- As young adults, Sixth Form students are permitted to use mobile phones only within the Sixth Form common room. Under no circumstances should calls be made or received during lessons. The same applies for earphones.
- There may be some exceptional circumstances in which there is a certified medical requirement for the use of a mobile device. In such circumstances, suitable evidence must be provided and agreed with the Headteacher in advance. Alternatively, if a student’s teacher directs students to use their phone for learning then they may do so. Once the learning activity is completed, all phones must be switched off and placed in bags.
- All staff are expected to monitor compliance and model the mobile phone policy.

The College Policy for a student found with a mobile phone is as follows:

- If a mobile phone is seen or heard by a member of staff, the member of staff will be required to confiscate it immediately and, at the earliest opportunity, take the phone to Student Services for secure storage (in a locked box). The phone will be kept securely until it can be taken to Reception.
- The mobile phone will only be returned to the student the following day on receipt of a letter or telephone call from parents/ carers.
- If there is a second confiscation within the same half-term, the phone will be kept in secure storage until parents come in to College to meet with a member of the Senior Leadership Team.
- During this meeting, parents and student will be reminded of school policy and informed of the next stage should such conduct continue.
- In such cases of repeated breach of the policy, the pupil will be required to hand in their mobile phone to Reception each morning and collected at the end of each day.
- If a student, for any reason, refuses to hand over their mobile phone, the student will be placed in internal exclusion and parents will be contacted. Parents will be requested to bring their child into school the next day for a meeting with a member of the Senior Leadership Team. From then onwards, the mobile phone will be handed in to reception each morning and collected at the end of each day.

In line with the above mobile phone policy, the decision of the Senior Leadership Team is final.

11) MONITORING AND EVALUATING

The Governing Body and the Senior Leadership Team will put systems in place to monitor and evaluate the implementation and the effectiveness of this policy.
